If you can't attend in-person registration for swimmers who have a disability:

1. Anyone wishing to register for any of our swim programs must have an online account. Click on the ["Register Online"](#) icon to **"Create an Account"**. Enter an adult first and then click on "Create account and add family member" to add your child/ren. Please be sure to check off the two boxes "Periodic emails and mail updates" to receive future communication regarding program information.
2. Our Fall schedule (days, times, levels and cost) will be posted online by August 2. Choose "Search" and then click on the level(s) you're looking for to view the Fall class schedule(s) and cost(s).
3. Call the Pool Office at (416) 425-6220 ext. 3063 to register by phone. These requests will be processed beginning September 6, after our in-person registration. Priority for swimmers who have a disability is only available until September 11.

When you call, please leave the following information:

- a) your name and contact numbers (day and evening)
- b) your email address
- c) your child's name, age and swimming level
- d) the specific day(s) and time(s) you wish to register for
- e) the nature of your child's disability
- f) will 1:1 volunteer support be needed in the water?

We hope that you can attend the in-person registration, or send someone on your behalf. We may not be able to accommodate requests made after September 11. We will call you back to confirm either your registration or your placement on our Fall waiting list.

We hope to see you at the pool this session!
