

# Referral Criteria – Post-Secondary Transition Service Community Program

## Post-Secondary Transition Service

An Occupational Therapist offers consultative support with gathering information and developing skills to help high school students prepare for a successful transition from secondary to post-secondary education. This can involve collaboration and consultation with students, families, school staff, Holland Bloorview staff and community partners.

## Who do we serve?

The Occupational Therapist can provide support to high school students who are currently in grade 11 or higher and are planning to attend college or university.

## What types of goals do clients work on?

- Planning for academic accommodation needs at post-secondary
- Assessing accessibility and equipment needs on a college/university campus and/or residence
- Arranging for personal care support at college/university
- Exploring funding options for post-secondary
- Determining transportation options to/from college/university

## What services do we offer?

- Initial intake meeting happens onsite at Holland Bloorview or virtually to begin discussion of post-secondary goals
- Follow up meetings are scheduled as needed and may take place at client's high school, college/university campuses or virtually
