

Life after high school

Start thinking about your next steps for supported employment and continued learning

Free virtual workshop facilitated by Holland Bloorview & ConnectABILITY.ca

This workshop is geared for:

- Families and youth/young adults between the ages of 16-26
- Youth who are on diverse high school pathways including: students taking non-credit courses, on a certificate stream or in a special education program

Join us to discuss and explore:

- Accessing employment supports and resources
- Other learning options and programs
- Related online community resources
- Hearing from staff, families and partners

Date: Thursday September 30, 2021

Time: 7:00-8:15 pm
