

Summer 2022 – Registration for swimmers who have a disability

As the Swim Program operates within the hospital at Holland Bloorview, we continue to follow health and safety measures. As such, the following changes have been made to our Summer schedule:

- Proof of vaccination is required for anyone 12 yrs and older
- While masking is a requirement, Instructors will not be going in the water but will be teaching from on deck
- A parent or caregiver is required to accompany their child in the water if the swimmer is in a Swim Kids 3 level or lower (including preschool levels) in order to provide support for the learner.
- Siblings not registered in the program will not be allowed to enter the building.
- An online self-screening form must be completed prior to every visit to the pool. The completed form will have to be shown to the screeners as you enter the building.
- Whenever possible, arrive with your bathing suit on under your clothes to help reduce the time needed in the change rooms.

Priority in our programs is always given to swimmers who have a disability and siblings.

New Virtual registration via Zoom for Summer swim programs is on **Monday, June 13.**

What is Zoom? Zoom is a cloud-based video conferencing service we can use to virtually meet with you - either by video or audio-only or both. Click on the meeting invite URL that we (the host) will share with you via email. Open the Zoom app. Approve the request for permission to use your computer's audio and camera.
