

ELLE'S SECRET

By Julia Oliver

Elle Alexandra Bennett lived with her family in a home surrounded by the natural environment – a place she so deeply loved. From a very early age, she developed the most beautiful eyes, which could change between red, purple, and turquoise, depending on her mood. Elle had three sisters: Evelyn, Kierra, and Lauren, and they all shared one thing in common – they loved to swim. As children, they took swimming lessons and had great success with them.

At age 8, Elle started to develop a love for sea creatures, and eventually developed a special gift that allowed her to access a world of mermaids. What she didn't know yet was that she could be part of that world too. Elle's unique relationship with a world outside her own meant that she was able to communicate with all sorts of half human, half mermaid, mystical and magical creatures that no one else knew about.

“Elle, breakfast is served sweetheart. Come downstairs when you're ready!”
