

Winter 2023 – Registration for swimmers who DO NOT have a disability

As the Swim Program operates within the hospital at Holland Bloorview, we continue to follow health and safety measures. As such, the following changes have been made to our Winter schedule:

- While masking is a requirement, Instructors will not be going in the water but will be teaching from on deck
- A parent or caregiver is required to accompany their child in the water if the swimmer is in a Splash 3 level or lower (including preschool levels) in order to provide support for the learner.
- Siblings not registered in the program will not be allowed to enter the building.
- Holland Bloorview has moved to a passive screening for all pool participants: If you are experiencing any symptoms, have had an exposure to COVID or are pending a COVID swab please do not come to the pool.
- Whenever possible, arrive with your bathing suit on under your clothes to help restrict the number of people needing to use the change rooms.

On-line registration for Winter swim programs will open on **Thursday, December 15.**
