

Holland Bloorview

Kids Rehabilitation Hospital Foundation

At Holland Bloorview we believe in creating a world where all youth and children belong. We are the only children's rehabilitation hospital in Canada focused on combining world-class care, transformational research and academic leadership in the field of child and youth rehabilitation and disability. We help over 8,500 kids and youth with disabilities and complex medical needs access care that focuses on their physical, mental and emotional well-being, and we power their infinite potential and possibility.

Together we dream big. Together we champion a world of possibility.

Want to get your school involved in supporting Holland Bloorview? Start here!

Thank you for considering supporting Holland Bloorview Kids Rehabilitation Hospital through a school fundraiser. Your support will not only help create a world of possibilities for kids and youth with disabilities, but also engage your students as future philanthropists!

Capes for Kids

[Capes for Kids](#) is an annual fundraiser where participants channel their inner superheroes in support of Holland Bloorview! It is a great way for students to take on a leadership role and make a real impact while having a blast.

We encourage each school to create a Capes for Kids committee, where students can help plan events, run classroom challenges, and spread the word about Capes for Kids! It's a great way for students to take on a leadership role and make a real impact while having a blast.

We will provide every student on the committee with our iconic red cape they can wear everywhere they go during Capes for Kids week. They will become superheroes for Holland Bloorview and champions for disability inclusion!

Other ways to get involved

Charity Week

If your school participates in Charity Week, we'd love to be considered as the grateful recipients of your generosity!

Fundraising Events

Lemonade stands, fashion shows, sports days, used book sales – the possibilities are endless!

Making it all possible

Many of our critical programs would not be possible without our donor community. Your support helps us to power infinite potential and possibility for our clients and their families by funding vital research, programs and services.
