

Disability & inclusion in your school community

Interactive inclusion sessions for your students

Session leader:

Mathias Castaldo
Lived experience facilitator /
former student

Options:

1. Invite us to **customize presentation(s)** for your class (any grade level) or school.

GTA: In person at your school. Outside GTA: Live virtual or recorded options.

We meet with you to discuss your learning objectives and determine the best format.

Contact us: projectinclusion@hollandbloorview.ca

2. Join us for a new **virtual session**:

What are non-visible disabilities? What can students do to include peers with non-visible disabilities? (suitable for: Grades 4 and up)

Register your class or group [here](#) or by emailing us.
