

Disability & inclusion in your school community

2026/27 interactive inclusion sessions

Contact us: projectinclusion@hollandbloorview.ca

We meet with you to discuss your learning objectives, schedule and format options. You will:

- ☒ Develop understanding through real life experiences shared by students, educators and/or families
- ☒ Learn about social & environmental barriers facing students with non-visible disabilities and visible disabilities
- ☒ Discover what you can do to make social inclusion & belonging happen

Educator sessions:

- 1 Invite us to customize a workshop for your school or school board team. (Please email us.) Joint sessions with Rick Hansen Foundation are also available.
- 2 [Register](#) for monthly live sessions. Topics include:
 - How we introduce students to inclusion
 - Educator resources for teaching disability awareness
 - Self-advocacy concepts & activities

Student sessions:

- 1 Invite us to present to your class or school. (Please email us.)
- 2 [Register](#) your class or group for a virtual session to celebrate:
 - International Day of Persons with Disabilities
 - National Accessibility Awareness Week

Visit our [School Inclusion Hub](#) for resources, activities and more information.
