

The Heroes Circle – Martial Arts

Transitions, Recreation & Life Skills

What?

The Heroes Circle program, delivered by specially trained black belt martial artists, teaches children breathing, visualization, and relaxation techniques, in addition to traditional martial arts moves.

Sensei Michael Percival from the Heroes Circle will guide the group through traditional and modified karate moves along with activities designed to introduce strategies for reducing stress and/or coping with pain while exploring the power of the mind body connection.

The Heroes Circle is partnering with Holland Bloorview to offer a series of Heroes Circle sessions to clients of all abilities.
