Learn about Holocaust Education Week

This year, Neuberger Holocaust Education Week (HEW) is observed from **November 2nd to 9th**.

- Since 1982, Holocaust Education Week has been recognized annually during the first week of November to honour Holocaust survivors and commemorate the six million European Jews, along with millions of people from other communities and groups who were murdered by the Nazi regime.
- Holocaust Education Week remembers the lives lost during the Holocaust and highlights the importance of education in fighting antisemitism, racism, and hatred.

Survivor Stories

- **Experience history through virtual reality with Toronto Holocaust survivor Pinchas Gutter in *The Last Goodbye*,** a 16-minute award-winning VR film. Gutter shares his childhood memories of the Majdanek Concentration Camp in Poland, where his family was among 78,000 victims. His testimony is guided by the belief that "we must confront pain to heal it." The Last Goodbye: An Immersive VR Experience | The Toronto Holocaust Museum
