INFINITE WAVES – Winter 2027

This program is designed for participants that may not have swim skill-based goals but hope to improve mobility and comfort in water while having fun in a group setting. With the direction of a Holland Bloorview swim instructor, parents and/or guardians (18 years or older) of participants work with them in the water to achieve their personalized goals. The first 15 minutes offer participants ample transition time to get into the water, meaning that an entire 30 minutes can be solely dedicated to instruction.

Virtual registration via MS Teams is on Sunday December 6

The deadline to enter the lottery is 9:00 a.m. on Monday, November 23, 2026.

*You will receive an email **sent to the email address you provided** by Thursday, November 26, 2026, indicating the day and time to be connected through MS Teams link (URL). When you sign onto MS Teams you will be placed in a waiting room (lobby) until the registration administrator admits you to the appointment.*
