Why a portal at Holland Bloorview?

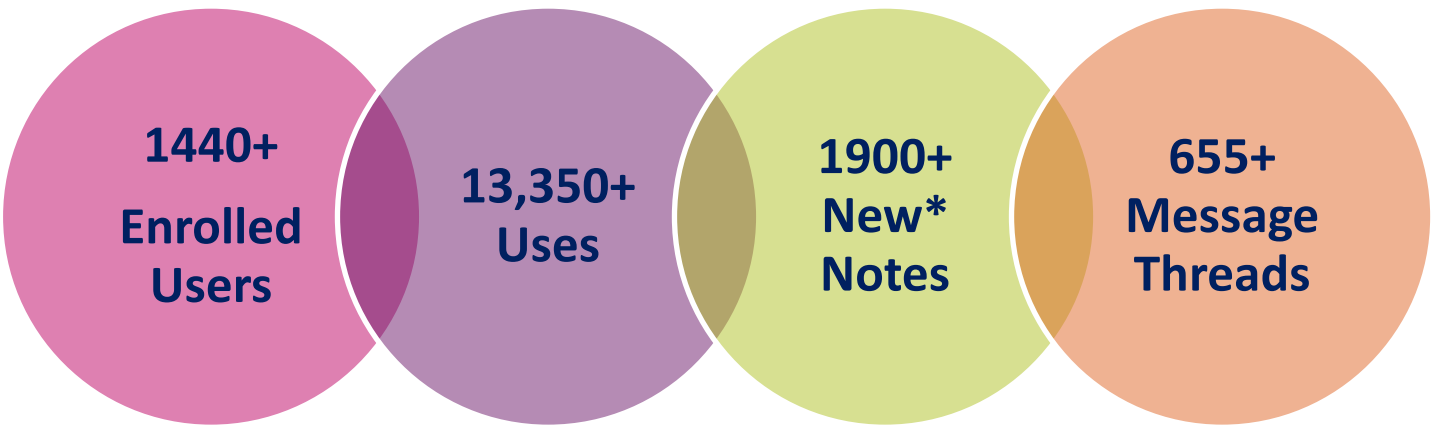

Authentic and Integrated Engagement Every step of the way

Does anyone use the portal?

YES!!!

Would you recommend connect2care to other clients and families?

What families have said:

- *Reviewing my visit history reminded me of how much Holland Bloorview has been part of our lives*
- *I can't wait to get rid of this binder*
- *It's a huge advantage to have all that information at my fingertips as I continue to plan their care*
- *Having immediate communication via email is critical as we start to ween my son of medication*
